Re: Notice of File Closure for Small Mining Activities, Frisco 1-2, S/027/018, Millard County, Utah

Dear Mr. Hodges:

This letter is to notify you that file #S/027/018, for the Frisco 1-2 project, located in Section 20, T24S, R14W, Millard County, Utah, will be closed and retired from our files.

The Division of Oil, Gas and Mining inspected the project area in May, 1996, and found the site could be released. This release could not be made without BLM concurrence. We have now received notification from the BLM that they are closing their file and releasing you from this project. This file will now be officially closed and you are released from any further reclamation responsibilities at this site. If you wish to restart any mining related activity, you will need to submit a new Notice of Intention to this office and also the land management agency.

If you have any questions or concerns regarding this action, please notify us within 15 days from receipt of this letter.

Sincerely,

Tom Munson
Reclamation Hydrologist
